Windermere, FL 34786

Subject: Viatical Declartion, Indiana Non-Resident Producer
License 499407

Dear Mr. Scharfeld;

Indiana Code 27-8-19.8-8.5 does not grant a viatical agent/broker license. However, the code does require the following: an insurance producer with a life qualification under IC 27-1-15.6-7; a declaration filed with the commissioner that contains a statement that the person/entity intends to act as a viatical settlement broker or a viatical settlement agent in Indiana; and a list of states in which the person/entity is or has ever been licensed to act as, is acting as, or has acted as a viatical settlement agent of broker and the current status of any such license, including suspensions or revocations.

Gregory C. Scharfeld, Indiana Non-Resident License 499407, has met these requirements and is therefore a Declared Viatical Settlement Agent/Broker.
